Increasing the pay of Asamis & Co of the Mysore Commissioner's office

Mysore File No. 174 of 1938 | General and Revenue Secretariat

the Budget Estimates of the State, for the year 1938-39 for meeting the extra expenditure involved by the proposals of the Mysore Comm. Attention is invited to art. 202 of the Mysore Civil Accts. Code, Vol. I, which deals with items of expenditure for which no provision is made in the Budget. The Finl. Secy., may be consulted in the matter, if approved. It is also a point for orders whether there is any necessity for increasing the pay of the Asamis simply on the ground that the pay of the Asamis was fixed more than ten years ago.

25.11.38.

The M.C. proposes that the Scale of Pay of Asamis of his office may be revised from 30-2-50 to 25-2½-60. I am constrained to take a view that the Scale of Pay of these officials who are highly qualified and who are advisers in Agamic matters should at least be equal to that of II Div. clerks. There is no point I know in reducing the minimum from Rs 30 to Rs 25. As the minimum of II Div. clerk is Rs 30. If adopted, the maximum

It is only one of the two officials referred to that has reached the maximum of Rs 50/- in the present grade and has been stagnating for some time. The other official is getting Rs 52/- in the grade 30-2-50 and his case does not call for any consideration. On grounds of principle I am against any revision of scales of pay on purely personal grounds. If, however, any increase is called for in the case of the official who has been drawing Rs 50/- for some time past, he may be given a small personal allowance of Rs 3/- from date of sanction.

GENERAL SECRETARIAT
17 NOV. 1938

SIR,

Enhancement of the scale of pay of the Agamiks
of the
Office of the Muzrai Commissioner in Mysore.

I have the honor to state that Ved. N. Kodandaramachar, the Agama Parikshikar, and Ved. Krishna Deekshit, Saivagama Pandit, of this office, have represented to me that their existing scale of pay in grade Rs 30-2-50 may be enhanced in grade Rs 30-3-60, to keep them on a par with that of the II Division Clerks of this office.

2. Ved. N. Kodandaramachar joined the late Muzrai Superintendent' Office as the Vaikhanasa Agama Teacher on 23-1-1922 in grade Rs 25-3-40 and after the abolition of that office, his services were continued in this office. He has put in nearly 16 years of service and has passed the Vaikhanasa Agama Examination. He has been getting Rs 50--the maximum pay in grade Rs 30-2-50, from 1-6-1933.

3. Ved. Krishna Deekshit, the Saivagama Pandit, was appointed in this office on 23-11-1935, on Rs 30 in grade Rs 30-2-50, and he is getting Rs 32 at present. He has put in nearly 3 years of service, and has passed the Saivagama Examination in I Class. Both these Agamiks are Agama Examiners of the Board Examinations conducted at the Maharaja's Sanskrit College, Mysore.

4. Both the Agamiks are learned Pandits and are proficient in Agama Sastras. Their services in this office are very useful in matter relating to an expression of opinion under the respective Agama Sastras Their services are also being availed of in connection with the consec-

ration ceremonies of places of worship and temples, the repairs to Ashtabhandana etc. of the Muzrai and non-Muzrai Institutions and the examination of the worships in Muzrai institutions by the Archaks, with a view to see whether the rituals and the forms of worship and mantrams as prescribed under the Agama Sastras are being duly observed.

Their services will also be very useful for the Agama Classes which are proposed to be opened in the Sri Chamarajendra Veda Maha Pathasala, Bangalore (vide my letter No.C.403/38-39 dated 11-11-1938). I consider that the existing scale of pay of these two Agamiks is low and that it should be on a par with the scale of pay of Pandits of Sri Chamarajendra Veda Maha Pathasala, Bangalore, and the Sanskrit Colleges at Bangalore and Mysore.

In view of the fact that the existing scale was fixed nearly 10 years back, I request that sanction of Government may kindly be obtained to enhance the scale of pay of the two Agamiks of my office from Rs. 30-2-50 to Rs. 25-2$\frac{1}{2}$-60, as was recommended in the case of some of the Pandits of the Sri Chamarajendra Veda Maha Pathasala, Bangalore (vide my letter No.C.623 38-39 dated 11-11-1938), the additional cost being met from the closing balance of the Muzrai Establishment Fund Budget of the current year.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
